Dear Mr Sansalone:

Upon my return from vacation this week, I was very happy to learn all the details of what an unqualified success the "Ride for Andrea" had been this year. This success was, in no small measure, due to teamwork of people like you who contributed their time and talents to our cause.

In particular, I would like to thank you for providing your horses and wranglers at a charity rate for VTEA.

It is heartening to think that this event generated just over \$18,000 which, after all expenses have been paid, should be able to provide a therapeutic program for 150 youngsters for about one month.

I think you will be interested in the attached copy of a clipping reporting the event.

Again, thank you so much for your support.

Yours sincerely

Roger P Smith

Dear Italo:

This letter is an attempt to thank you for your recent show of support for disabled children in the Fraser Valley through the Annual "RIDE FOR ANDREA". Thank you so much for offering your horses at such a reasonable rate for the "RIDE FOR ANDREA".

There are so many wonderful causes out there that need help. We feel fortunate and proud to have you on our side. The Valley Therapeutic Equestrian Association relies heavily on private and corporate donations along with fund-raising to finance it's programmes and it is run by a volunteer board. As you can imagine the need for support is endless. Please feel free to drop around to the centre at 6918-232nd Street in Langley to see the benefits of your support in action. For more information you can call 888-1262.

Enclosed you will find a copy of a newspaper article which tells of the success of the day. Most of the money was raised out on the trail through the sponsored rides. Next year we hope that the event will be even bigger and better with a lot more publicity. However, this year with the efforts of all, we got the job done. I hope you feel good about your part of our success...we could not have done it without you.

With much appreciation,

Agnes McCorquodale
